23/101	Planning Applications – New (or Appeal).	<p>The Council considered the following Planning Applications.</p> <ol style="list-style-type: none"> 1. Planning application No: 23/0242 - Extension to barn approved for conversion under application 19/0858, at Eden Field, Armaithwaite, Carlisle CA4 9PQ. 2. Planning application No: 23/0155 – Use of summerhouse for a mixed use of dog grooming and summerhouse, at 17 Scour Close, Lazonby, Penrith. 3. Planning Application No: 23/0254 - Residential development of 9 dwellings and associated infrastructure, at land at Fiddlers Lane Lazonby. <p>1. RESOLVED that the Council had NO OBJECTIONS to Planning application No: 23/0242 - Extension to barn approved for conversion under application 19/0858, at Eden Field, Armaithwaite, Carlisle CA4 9PQ.</p>

		<p>2. RESOLVED that the Council had NO OBJECTIONS to Planning application No. 23/0155 – Use of summerhouse for a mixed use of dog grooming and summerhouse, at 17 Scaur Close, Lazonby, Penrith.</p> <p>RESOLVED that it be noted that the possible concerns of parking and noise from dogs may be of some concern.</p> <p>3. RESOLVED that the Council OBJECT to Planning Application No: 23/0254 - Residential development of 9 dwellings and associated infrastructure, at land at Fiddlers Lane Lazonby, making the following comments to support their objection.</p> <p>1) As stated in the Neighbourhood Plan for Lazonby, <i>‘The amount of housing to be provided in the Parish has been set through the Eden District Council Development Plan. This comprises the Eden District Council Local Plan, which identifies Lazonby as a Key-Hub. The Local Plan does not allocate development sites in Lazonby, but as one of the larger ‘key hubs’ identified in the Local Plan, Lazonby is expected to contribute a minimum of 106 new dwellings to the Local Plan requirement through to 2032’</i> (See Eden Local Plan). Lazonby Parish Council believe that this allocation is substantially met given the volume of new development and the allocated sites awaiting development identified in the Lazonby Neighbourhood Plan (See Lazonby Neighbourhood Plan pp 37 to 53).</p> <p>Through the Neighbourhood Plan, six suitable sites were chosen that did not include the land in question on Fiddler’s Lane. Lazonby Parish Council would like to point out that five of the six allocated sites have either been developed or are in the process of being developed - The Lilacs, Scaur Lane, The Meadows, the Telephone Exchange and the Old Egg Packing Station, leaving only the Piggeries to be developed. Therefore, it is felt that the maximum house allocation has far exceeded what is expected of the parish of Lazonby.</p> <p>Furthermore, the area by Fiddlers Lane has been deemed unsuitable due to narrow roads, difficult access, existing additional traffic and parking issues from the Auction Mart and will put more pressure on an aging sewage system and power grid in the village. Lazonby Parish Council note that the response from Highways is not yet reported, however they are aware that an earlier application to use Fiddlers Lane for access was not accepted and it was recommended that a new access utilising Normans way was constructed.</p> <p>2) Lazonby Parish Council would also like to point out, as stated in the Lazonby Neighbourhood Plan (LNP) and referenced by the Lazonby Neighbourhood Plan Design Guide, <i>‘Also in addition, all housing development will be encouraged to comply with a number of general principles which meet the objectives of the LNP:</i></p> <p>1. <i>Proposals should be of a nature and scale that reflects and respects the character and appearance of the area, with regard to the surrounding landscape and/or townscape and the character and appearance of its setting</i></p>
--	--	---

		<p>(see Design Guide and Policy D2);</p> <p>2. <i>Proposals should not result in any significant adverse impact on the amenity of any existing neighbours, including businesses; and not otherwise adversely impact sensitive environmental or heritage assets.</i></p> <p>3) Furthermore, Lazonby Parish Council would like to request that this planning application decision be determined by the Planning Committee, as Local Councils and residents must have the opportunity to address Committee Members. It is also believed that there is a strong case for a site visit by Committee Members before the application is determined.</p> <p>4) Lazonby Parish Council believes this objection is presented on wholly material grounds.</p>
