1.	Apologies for absence.	TO RECEIVE any apologies for absence.
2.	Requests for Dispensations.	TO RECEIVE any requests received by the Clerk since the previous meeting for dispensations to speak and/or vote on any matter where a member has a disclosable pecuniary interest.
3.	Declaration of Interest.	TO RECEIVE any Declarations by elected and co-opted Members of any Personal or Prejudicial Interests relating to any items on the agenda for this meeting. <i>Members are invited to declare any personal interests they may have relating to any item on the Agenda and, having done so, to consider whether they also have a prejudicial interest in that item. Members are also reminded that, in accordance with the revised Code of Conduct, they are required to declare any disclosable pecuniary interests or other registerable interests which have not already been declared in the Council's Register of Interests. (It is a criminal offence not to declare a disclosable pecuniary interest either in the Register or at the meeting.) Members may, however, also decide, in the interests of clarity and transparency, to declare at this point in the meeting, any such disclosable pecuniary interests which they have already declared in</i>

		<p><i>the Register, as well as any other registerable or other interests. If a Member requires advice on any item involving a possible declaration of interest which could affect his/her ability to speak and/or vote, he/she is advised to contact the clerk at least 48 hours in advance of the meeting.</i></p> <p><u>A note from the Clerk to the Council.</u> <i>A personal interest might be reasonably regarded as one which might affect a member's wellbeing, financial position, or business (which would be a 'direct' interest, as it impacts on the member directly); or that of a relative or friend (which would be an 'indirect' interest) to a greater extent than that of other council tax payers, ratepayers or other inhabitants of the area. A personal interest will also be a prejudicial interest if a member of the public, who knows the relevant facts, would reasonably think that a member's personal interest is so significant that it is likely to prejudice his / her judgement of the public interest.</i></p>
4.	Matters of Urgency.	<p>TO CONSIDER any matters on grounds of urgency which arrived too late to be otherwise placed on the agenda and/or are determined by certain deadlines.</p> <p><u>Please Note:</u> This item can be used to raise any 'matters of urgency', even if the matter is to be discussed later in the agenda under a related item heading. For example: planning applications which were received after the agenda was issued in order to meet the 21 day deadline. These will then be dealt with in the appropriate agenda item.</p>

8.	<p>Progress Reports on Recent Actions - progress reports regarding matters from the Minutes of the 5th February 2020 (the list below are the main issues but in addition, other issues may also be discussed from the last Minutes that are not listed here).</p>

	<ul style="list-style-type: none"> • Scarrows Lane 30 mph sign • Fiddlers Lane 30 mph sign near the Auction Mart or possibly the Lazonby sign 200 m further North • Carlisle Road 30 mph sign <p>Also asking if the signs could be positioned for motorists leaving the village. The justification for the requested was made because since March 2019 it has been noted by residents that a significant number of Hedgehogs have been killed regularly at these locations.</p> <ul style="list-style-type: none"> • 9 on Scarrows Lane • 7 on Fiddlers Lane • 5 on the Carlisle Road <p>John Banks replied to say that hedgehog warning signs (or other small animal signage) need authorisation from the Department of Transport. The new road sign came into being 17th June 2019 to improve road safety and protect animals and that they are to be placed in areas where accident rates are highest and could benefit from a sign which warns of hazards due to animals in the road. The locations noted have no accident record and therefore it is determined do not fit the criteria for the installation of the road sign. Also, guidance from the Dept of Transport is to reduce sign clutter.</p>
d. Lights on Fiddlers Lane (last minute no. 20/08).	<p>TO RECEIVE an update on the lights on Fiddlers Lane.</p> <p><u>Report of the Clerk to the Council.</u></p> <p>The Clerk has written to the Manager at Eden Court to thank her for hosting a meeting which Councillor Chris West attended. Councillor Chris West promised at that meeting that she would find out what would be happening to the light at Moorlands. The letter sent confirmed that the light in the garden of Moorlands cannot be the responsibility of the Parish Council because it is on private property and that it was scheduled to be made redundant once it eventually goes out. However, the letter explained that it was a newer light than the other lights on Fiddler's land so it should outlive the other two. The Parish Council have said that they will keep a close eye on the situation.</p>

So, the Community Wardens have written to Network Rail in an effort to get them to do something about it for future works. They are not sure whether they will take any action, but they think that if it happens again and they get to hear about it they will get straight onto National Rail and try to get something done about it at the time, rather than afterwards.
