24/232	Progress Reports on Recent Actions.	The Council received progress reports regarding matters from the Minutes of the Council Meeting on the 2 nd October 2024.
	a. Donations at Eden Bridge Car Park (Last minute 24/207).	RESOLVED that it be noted that the work to install the donation box at Eden Bridge car park will start in the spring when the weather is better so this agenda item will be removed from the agenda until next year.
	b. Parish Fishing (Last minute 24/179).	Treasurer Chris Hoy has spoken with the angler from Cockermouth Angling Club who uses the river, regarding possible improvements to the parish fishing. He said he would like to move to the area and if so would be happy to volunteer to run the parish fishing. The Council also discussed talking to Carlisle and Penrith anglers, and talk to local anglers about starting up their own club. Also, look into the possibility of setting up a social media page for fishing in the parish.
		RESOLVED that Councillor Tim Wright ask local anglers if they wished to set up an angling club in Lazonby.

<p>24/233</p>	<p>Report from the Westmorland & Furness Councillor.</p>	<p>The Council received a report from Westmorland & Furness Councillor Hilary Carrick about Westmorland & Furness matters affecting the Parish.</p> <ol style="list-style-type: none"> 1. A public consultation was launched last August 2024 to help shape new Council wards for Westmorland and Furness Council. The Local Government Boundary Commission for England wanted to hear people’s views on where they live, to help make sure that the new wards reflect the size and shape of local communities. The submission for the electoral boundaries has been put forward proposing Greystoke as part of the Hesket and Lazonby ward. This will be put out for public consultation next year and a decision will be made by the Boundary Commission in spring 2025. 2. A consultation regarding the way in which waste collection and recycling services will be delivered in Westmorland and Furness in the future is to be launched soon. Westmorland and Furness has inherited a wide range of different practices for waste collection and recycling from the former Barrow Borough Council and Eden and South Lakeland District Councils with a variety of associated contract arrangements and are now trying to harmonise the service going forward. It is really important that not only Parish Councillors, but as many of our residents as possible, take this opportunity to share their views on what they like about their current services and be very clear about what they would like to change and what they would like to see in the future. 3. At the recent budget meeting the government announced its intention to strengthen the relationship between central and local government by modernising democratic engagement, raising standards and widening the range of candidates who are able to stand for election to council by removing unnecessary barriers. The attendance of elected members at local authority meetings is a core part of the democratic process at the local level and is integral to members carrying out their functions effectively. It is also important that local residents have the opportunity to engage directly with the people they have elected to take key decisions on their behalf. However, the government recognises that there are circumstances in which it may not always be possible for members to attend council meetings in person. It is with this in mind that the government intends to amend the law to introduce provisions for remote attendance at local authority meetings. In addition, the government is seeking views on the possible introduction of proxy voting for those occasions when an elected member, due to personal circumstances, may be unable to attend even remotely, for example during maternity, paternity or adoption leave. In line with the government’s commitment to working with local government to establish partnerships built on mutual respect, genuine collaboration, and meaningful engagement. A short consultation is to be launched that seeks views on the detail and practical implications of this proposition to inform ongoing policy development. 4. The realisation that Scrutiny is needed in Westmorland & Furness Council especially regarding local issues like footway lighting, which no one has been able to review. This is now changing as there is a role for countywide scrutiny issues.
<p>RESOLVED that Westmorland & Furness Councillor Hilary Carrick be thanked for her report, the contents of which were noted.</p>		

		ALSO RESOLVED that it be noted that Westmorland & Furness Councillor Hilary Carrick reserved the right to request to give a report on other issues on the agenda.
24/234	Parish Maintenance:	
	a. Flooding Issues in the Parish.	The Council received an update about the flooding issues in the parish from Westmorland & Furness Councillor Hilary Carrick. The latest draft of the Flood Investigation Report has just been given to Councillor Carrick today so it was too late to send it out to all the Council Members for reviewing in time for this meeting. The main difference is slightly amended recommendations. Increasing the size of the culvert seems to be the main issue but who is responsible for carrying out the work. Councillor Carrick has asked if the Councillors can review it and if they have any comments to make then let Councillor Carrick know.
		RESOLVED that the report from Westmorland & Furness Councillor Hilary Carrick regarding the draft Flood Investigation Report be noted. RESOLVED that the Clerk will send the Flood Investigation Report to the Parish Councillors to see if they wish to make any further comments for Councillor Carrick to give to the Flood Investigation Team at Westmorland & Furness Council.
	b. Footpaths in the Village.	RESOLVED that there was nothing further to report regarding footpaths in the parish at present.
	c. Parish Tree Survey.	RESOLVED that it be noted that the parish tree survey is still ongoing. ALSO RESOLVED that it be noted that a tree is down in Bateman lane and that the Parish Council agreed to give delegated authority to Councillor Phillip Whitehead who will inform the Swimming Pool and deal with the tree.
	d. Recycling Centre.	The Council received the following update about the recycling centre. The recycling volunteers have reported that the new skips are now in place. Furthermore, the volunteers have reported there has been an issue with the clothes hopper as it appears to have decaying wet clothes/fabric stuck in the bottom more than likely from when the river has flooded. Both the collector who picks up the clothes and the recycling centre volunteers have reported that there is wet and decaying clothes/fabric in the base of the hopper as the contractor cannot take it away. The collector was very diligent and he took away all the fabric / clothing / shoes, but there was no way that he could deal with the plug of wet debris in the bottom of the hopper. Westmoreland & Furness have been contacted and have said that they have now received a set of keys to the hopper so they will arrange with their refuse contractor to have it removed ASAP. RESOLVED that the Clerk also contact Westmorland & Furness to ask about removing the mouldy clothes in the Clothes hopper.
e. Service of the Grass-cutting Equipment.	The Council considered giving authorisation for the grass cutting equipment to receive a service. Last year it was decided that the Parish Council's grass cutting equipment did not need servicing because they did not have very much use. This year the machines have been quite well used and some general maintenance has been carried out on them by one of the grass cutting volunteers as minor problems have occurred. So the regular grass cutters have recommended that the machines should be serviced this year by Eden Valley Tool Repairs. The charges are expected to be about £70 - £80 per machine. There are three mowers to service. However, the	

		<p>strimmers do not have a lot of use and they appear to be starting and running. They have also had some general maintenance during the year so it is not thought they need any 'professional' attention this year. A grass cutting volunteer has kindly said that he is happy to take the mowers for their service.</p>
		<p>RESOLVED that the Council agreed to give authorisations for the three parish mowers to be serviced.</p>
	f. Other Maintenance Issues in the Parish.	<p>The Parish Council discussed the following maintenance issues in the parish:</p> <ol style="list-style-type: none"> 1. The Parish Council had a recent enquiry from the Project Manager - Access to Eden of the Eden River Trust who asked questions regarding the Canoe steps as they are hoping to develop a similar project for a canoe egress at Armathwaite. The Clerk replied with the relevant answers. 2. The broken fence on Bateman Lane has already been checked by Councillor Phillip Whitehead and he has priced up the repair which is £24.82 plus VAT for two posts and rails. Councillor Whitehead would be happy to make the repair to the fence. 3. An enquiry was made asking the Parish Council if they could lease the sports playing field for grazing over the winter.
		<ol style="list-style-type: none"> 1. RESOLVED that the enquiry about the Canoe steps be noted. 2. RESOLVED that the Council agreed to Councillor Phillip Whitehead's kind offer of repairing the fence in Bateman Lane. 3. RESOLVED that the Council agreed not to lease the sports playing field out this winter but to tell the parishioner that enquired that it would be up for lease in April 2025 and that it would be decided by giving sealed bids. <p>ALSO RESOLVED that the Clerk look at the Covenant on the Sports playing field to see if there is anything that would stop the grazing being rented out all year around, as a possibility for future years.</p>
24/235	Financial Report by the Treasurer.	<p>The Council received a report from the Treasurer for October 2024 (please see attached Treasurer's Report).</p> <p>The Council then discussed the signatories for cheques and banking mandate. The Treasurer recommended that ex-councillor John Judson and Andrew Sharples be removed from being signatories; that John Judson be removed as an authoriser on the online banking; and to replace John Judson as authoriser with Ruth Hookway with immediate effect.</p>
		<p>RESOLVED that the Treasurer be thanked for his monthly report for October 2024 (see attached report), the contents of which were approved, accepted and noted.</p> <p>ALSO RESOLVED that the Council agreed to ex-councillor John Judson and Andrew Sharples being removed from being signatories;</p> <p>ALSO RESOLVED that the Council agreed that John Judson be removed as an authoriser on the online banking.</p> <p>ALSO RESOLVED that the Council agreed to replace John Judson as</p>

		<p>authoriser with Ruth Hookway with immediate effect.</p> <p>ALSO RESOLVED that the signatories for cheques and banking mandate be brought back to a future meeting for further discussion.</p>
24/236	CALC Subscriptions for 205/2026	<p>The Council considered the Cumbria Association of Local Councils (CALC) subscriptions for 2025/2026. The CALC Board has agreed that they will provide all member councils with a provisional figure for the CALC subscription next year, to enable you to build this figure into your budget setting. It should be noted however that they normally produce this figure for you in March because it is based on the number of electors in each parish and we do not receive the electorate figures from the unitary authorities until February, the figure also varies depending upon whether or not any member council has withdrawn from CALC membership. It was, therefore, agreed that CALC will provide you with a figure which is based on current membership and the electorate figure they have used for 2024/2025 subscription figures, but with the caveat that this figure may increase if your electorate has increased in 2024/2025 or if a council withdraws its membership from CALC between now and March 2025. Below the provisional subscription fee for 2025/2026 based on a 5% increase from NALC for their portion of the subscription and a 3% increase on the CALC portion of the subscription fee: £309.15. CALC hopes this enables Parish Councils to account more accurately for the CALC subscription fee for 2025/2026 when setting their budgets and precept and they would also like to take this opportunity to thank you for your continued support.</p> <p>RESOLVED that the Council agreed to renewing the Cumbria Association of Local Councils (CALC) subscriptions for 2025/2026 so this will be taken in to consideration when setting the Parish Council's Budget for 20225/2026.</p>
24/237	Authority for Payments.	<p>RESOLVED that the Council considered requests for payment received by the Treasurer, Clerk or Council Members, and agreed to pay the following:</p> <ol style="list-style-type: none"> 1. The sum of £72.00 to Lazonby Village Hall for the hire of the Jubilee room between July and October 2024 (Bank transfer no.146).
24/238	Annual Lazonby Parish Council Grant Applications for 2025 – 2026.	<p>RESOLVED that the following grant applications for 2025 – 2026 received be noted, which will be considered at the December 2024 meeting of the Parish Council:</p> <ol style="list-style-type: none"> 1. The Fellrunner Village Bus for financial assistance of £702 towards providing a scheduled bus service to the residents in the Parish of Lazonby. 2. Lazonby Village Hall for financial assistance of £2750 towards purchasing a CCTV system for the village Hall. 3. Lazonby & District Swimming Pool for financial assistance of £2500 towards the repairs to the interior surface of the pool, especially the bottom.
24/239	Finance & Budget Committee Meeting.	<p>The Council discussed the arrangement of a Finance & Budget Committee Meeting for the Parish Council Budget and Parish Council grant-giving for 2025 – 2026. Due to the continued low numbers of Councillor Members it was felt that it may be better to discuss the Finance and Budget matters for 2025 - 2026 in a confidential part at the end of the December 2024 full Parish Council meeting again this year. Treasurer Chris Hoy will give out the Budget and Finance paperwork to Councillors prior to the December 2024 meeting.</p>

		RESOLVED that the Council agreed to discuss the Finance and Budget matters in a confidential part at the end of the December 2024 full Parish Council meeting.
24/240	Planning Applications – New (or Appeal).	The Council considered the following Planning Applications. 1. Planning Application Ref: 2024/1467/FPA – (Full Application) - Proposed extension to form workshop and maintenance area, at Eden Valley Mineral Water Company, Armathwaite, Carlisle.
		1. RESOLVED that the Council had NO OBJECTIONS to Planning Application Ref: 2024/1467/FPA (Full Application) - Proposed extension to form workshop and maintenance area, at Eden Valley Mineral Water Company, Armathwaite, Carlisle. ALSO RESOLVED that even though the Council did not have any objections to the planning application a notice will be displayed on the parish notice boards to allow parishioners to make representation about the planning application if wished, which would then be considered by the Parish Council before a final response is given to Westmorland & Furness Planning Services.
24/241	Planning Applications – Decisions.	RESOLVED that the following planning application decisions were received and noted: 1. Planning Application Ref: 2023/1105/FPA – (Full Application) - Extension of main bakery building, extension of gluten free bakery building, erection of a storage building, and reconfiguration of internal access road and car parking area, including associated operations, at Bells of Lazonby Ltd Edenholme Bakery Lazonby Penrith CA101BG – GRANTED .
24/242	Report from the Highways Link Person.	The Council received any reports on other issues that have arisen since the last Council meeting concerning Cumbria Highways. 1. A car has been parked under the bridge near the Midland pub for over a week, which was obstructing traffic, especially Lorries, and although a note had been left on the car window screen asking the car owner not to park, there they ignored it. Although there are no legal restrictions for parking under a bridge, maybe a no parking sign could be put up. 2. There are continued issues with parked cars up Rectory Hill near the Bowling club, as they are narrowing the road too much making it dangerous and it's making it difficult for residents to get out of their driveways. Councillor Hilary Carrick explained that a consultation was held a few years ago asking about pull in points, and no objections had been lodged. 3. A complaint about the H bar being removed in Scaur Lane,
		1. RESOLVED that it be noted that Highways are not keen on putting restrictions under bridges, however, contacting the police would be more effective if parked cars are causing an obstruction, backed up by photos and the registration number. 2. RESOLVED that Councillor Hilary Carrick will ask Highways to revisit the issue of parked cars on Rectory Hill. 3. RESOLVED that it be noted that the H bar was erroneously introduced and had now been removed to rectify the mistake.

24/243	Code of Conduct Complaint.	RESOLVED that it be noted that there was nothing further to report on the possible Councillor breach of Code of Conduct complaint as yet.
24/244	Consultation on 40 mph Speed Limit Signs on the Road to Carlisle.	RESOLVED that it be noted that the proposed 40 mph Speed Limit Signs on the Road to Carlisle has now been to the Locality Board meeting on 16 th October 2024 where it was approved.
24/245	Damaged Fence at Eden Bridge Car Park.	<p>The Council considered the damage to a fence at Eden Bridge car park after a car accidently drove into it. The driver of the car contacted the Parish Council and reported that they had damaged the fence but would be happy to pay for the damages. Councillor Phillip Whitehead spoke to the driver at the site after they reported it and looked at what needed to be done. Councillor Whitehead has now priced up the repair at approximately £158.80 for the materials plus a box of screws.</p> <p>RESOLVED that the Council agreed to Councillor Phillip Whitehead's kind offer of repairing the fence at Eden Bridge car park.</p>
24/246	Recharge for Footway Lighting 2024-25.	<p>The Council received notification about the recharge for Footway Lighting 2024-25. Westmorland & Furness Council has advised the Parish Council that after discussions there will be no recharged for the former district-owned footway lighting. This means the Parish Council will not be invoiced for the financial year 2024-25. Please bear in mind this only applies to footway lights that the Council recharges to the Parish Council and does not apply to any lighting that the Parish Council may pay directly to energy companies. Furthermore, a review of the lighting policy is on-going for Westmorland & Furness. It is anticipated this policy will be approved by April 2025 and all recharging will commence after this date. They will aim to engage with all Parish Councils on the new policy prior to adoption.</p> <p>The Council discussed this further as they need to know how much the charge will be so it could be put in the budget for 2025 - 2026. So far there has been mixed information being given out regarding the recharge.</p> <p>RESOLVED that the Treasurer Chris Hoy will contact the Head of Lighting again and ask the question how much the recharge for the footway lighting for 2025 - 2026 will be, and copy Councillor Hilary Carrick into the email, as the Council need clear advice for the 2025/2026 Parish Council budget and setting the precept.</p>
24/247	Invitations to Participate.	<p>The Council considered if Council Members would like to comment, take part in, attend, or send a representative to any invitations to participate.</p> <ol style="list-style-type: none"> CALC Surveys 2024 – the CALC Board have requested that we conduct two surveys this year which have both been approved by the CALC Board - a CALC Membership Survey and a CALC Training survey. The aim of these surveys is to ensure that the support / training we offer you meets the changing challenges that parish and town councils face. The surveys also help us to understand your views about our services and how we can improve the support we offer. CALC appreciate that your time is short. To thank you for helping us, every council that returns a completed survey by 30th November 2024 will be entered into a draw to win a prize of £100 for their Council (a draw will be held for both the membership survey and the training survey). CALC want to gather the views of the Councillors and the Clerk and ideally to make this an agenda item for your next meeting. However, if that is not possible then maybe the Chair can complete it with the clerk's

		<p>support.</p> <p>2. Cumbria Intelligence Observatory User Survey - The Cumbria Intelligence Observatory is a website jointly managed by the Performance & Intelligence Teams within Cumberland Council and Westmorland and Furness Council. The aim of the Cumbria Intelligence Observatory is to bring together existing research and analysis resources throughout Cumbria, working jointly with partners to provide information and intelligence for Cumbria. The survey has been designed to gather feedback from users of the Cumbria Intelligence Observatory website to enable the above Performance & Intelligence Teams to review current usage of the website. This survey will be open until Friday the 8th of November 2024. The Performance & Intelligence Teams within Cumberland Council and Westmorland and Furness Councils will then use the responses to this survey to inform the future development of the Cumbria Intelligence Observatory to better meet user needs. Please note all responses are anonymous.</p>
		<p>RESOLVED that invitations to participate be noted.</p>
