## LAZONBY PARISH COUNCIL

---

### Minutes

**For the Meeting of Lazonby Parish Council on Wednesday 7<sup>th</sup> July 2021, in the Main Hall, Lazonby Village Hall, at 7.30 pm.**

**Present:** Chair Councillor Chris West

Councillors John Judson, Gordon Nicolson, Phillip Whitehead, Steve Craig, and Andrew Miller.

**Also in attendance:** County Councillor Hilary Carrick, the Clerk to the Council Rebecca Wyatt, Treasurer to the Parish Council Chris Hoy and one parishioner.

ITEM / MINUTE No.	ITEM	BUSINESS
21/141	<b>Apologies for absence.</b>	<b>RESOLVED</b> that the apologies received from Councillors Peter Foley, Angie Miller and Tim Wright be accepted and noted.
21/142	<b>The filling of Council Member Vacancies.</b>	<b>RESOLVED</b> that it be noted that there were no nominations for election following the resignation of a Parish Councillor, so the Parish Council now needs to look to co-opt a new Council Member.
21/143	<b>Requests for Dispensations.</b>	<b>RESOLVED</b> that it be noted that no requests were received by the Clerk since the previous meeting for dispensations to speak and/or vote on any matter where a member has a disclosable pecuniary interest.
21/144	<b>Declaration of Interest.</b>	<p>The Chair asked if there were any declarations by Council Members of any Personal or Prejudicial Interests relating to any items on the agenda for this meeting.</p> <p><b>RESOLVED</b> that it be noted that Councillor Gordon Nicolson declared a personal interest in matters concerning Eden District Council.</p> <p><b>ALSO RESOLVED</b> that it be noted that Councillor Steve Craig declared a personal interest in matters concerning the footpath proposals between Eden Bridge and Lazonby &amp; District Swimming Pool.</p> <p><b>ALSO RESOLVED</b> that Councillor Phillip Whitehead declared a personal interest in matters concerning the Egg Packing Housing Development project.</p>
21/145	<b>Matters of Urgency.</b>	<b>RESOLVED</b> that it be noted that there were no matters of urgency to be considered by the Council.
21/146	<b>Public Participation.</b>	<p>The Chair asked the parishioners present if they wished to make any contributions relating to any items on the agenda, or any other parish related matter which they may wish to raise. The Parish Council also discussed issues that parishioners had been in contact about.</p> <ol style="list-style-type: none"> <li>1. A parishioner has enquired about why Story Homes has not handed over the management group to the residents of The Meadows as had been their intention.</li> </ol>

2. A parishioner has raised concerns about a tree that needs checking out to make sure it is safe. It is situated on Parish Council land next to the wall at Bankfoot.
3. A parishioner has informed the Parish Council that they keep getting harassed for parking a car on the bus stop opposite the village hall, although they do not have a car. Councillor Chris West has spoken to the parishioner and the issue is now resolved.
4. A parishioner attended the meeting to speak on their concerns about Planning Application 21/0583 which was to be considered later on in the meeting. They were concerned that the addition of the large timber-framed windows was not in keeping with the rest of the village, especially in an area of traditional stone buildings. They stated that it did not comply with the Lazonby Neighbourhood Plan Design Statement. They were also concerned that the two dwellings did not sit on the same line as the other houses in that area. The parishioner wanted a site meeting to take place and for the application to go to the Eden District Council planning committee.
5. A parishioner has complained about the state of the footpaths in the village and the holes appearing in them, as well as the issue of dropped kerbs for wheelchair users. It was suggested that an onsite meeting was held to see the issues. There is a new system of reporting these issues to Cumbria Highways.
6. The hedge is encroaching over the public footpath on Main Street again and obscuring the view of the traffic.
7. There have been complaints regarding a dog walking service that appears to be walking up to seven dogs at one time usually down at the River Eden in Lazonby. The complaints have mainly been about out of control dogs who are frightening people as well as dog fouling.
8. Complaints have been made by parishioners about dog fouling near Scarrows Lane. Dog wardens visited and placed a few posters about keeping dogs on a lead and picking up after their dogs. They also stencilled in 2/3 specific locations identified by the resident. They then received a call to say that the stencils had been painted over with an unknown substance and the sticker(s) on the bin were also vandalised (although they had then been re-stuck by a dog walker). The stencil spray they use is temporary, safe to the environment and animals and designed to last a few weeks or so as it is chalk based. The resident was concerned about what has been used to 'paint over it'. They then re-stencilled for a second time and placed more posters where they had been pulled down, but it appears the same has happened once again and was removed by someone. The Community Wardens said they would think as to whether they should try for a third time as replacing posters, in particular, is costly. They asked if the Parish Council had any other information that might shed light on this.
9. A parishioner has kindly given the Parish Council some information covering issues relating to sustainable transport and affordable housing in Lazonby which he was asked to share following a conversation with one of the Parish Councillors doing a leaflet drop about the Egg Packing Station affordable housing project.

		<ol style="list-style-type: none"> <li>1. <b>RESOLVED</b> that Councillor Steve Craig will enquire about the handover of the management group to the Meadows residents.</li> <li>2. <b>RESOLVED</b> that the Parish Council will check out the tree on the Parish Council's land next to the wall at Bankfoot.</li> <li>3. <b>RESOLVED</b> that the issue of the parishioner being harassed for parking a car on the bus stop opposite the village hall, although they do not have a car be noted.</li> <li>4. <b>RESOLVED</b> that the parishioner's comments and concerns about Planning Application 21/0583 would be taken into consideration when the Parish Council discussed their response to the planning application later on in this meeting.</li> <li>5. <b>RESOLVED</b> that the Councillors John Judson and Andrew Miller will compile a report on where the issues are with the pavements and send it to County Councillor Hilary Carrick who will then pass it onto Cumbria County Council.</li> <li>6. <b>RESOLVED</b> that it be noted that the parishioner whose hedge is encroaching over the public footpath on Main Street will be asked to cut it back again.</li> <li>7. <b>RESOLVED</b> that the Clerk contact the Community Wardens and see if they can visit the area to see if they can talk to the dog walker in question.</li> <li>8. <b>RESOLVED</b> that it be noted that the Council were not aware of the issues of dog fouling and removal of notices and stencilling near Scarrows Lane, prior to the Community Wardens being in touch, so were not able to give the Community Wardens any further information.</li> <li>9. <b>RESOLVED</b> that the Council wished to thank the parishioner for the information covering issues relating to sustainable transport and affordable housing in Lazonby which was noted.</li> </ol>
21/147	<b>Report from the local Community Police.</b>	<p><b>RESOLVED</b> that it be noted that there were no incidents in Lazonby last month to report by the local community Police</p> <p><b>ALSO RESOLVED</b> that it be noted that the Council received the Eden Focus Police Newsletter for Penrith &amp; Alston – May - June 2021 by Email.</p>
21/148	<b>Parish Broadband Issues.</b>	<p>The Council received an update on the broadband issues in the parish from Councillor Steve Craig. A meeting is to be held to enrol volunteers to get involved with the scheme and to answer any questions Parishioners had. The project is still waiting to move forward.</p> <p><b>RESOLVED</b> that the report about parish broadband issues be noted, with thanks to Councillor Steve Craig.</p>
21/149	<b>Minutes of the Council Meeting on the 2<sup>nd</sup> June 2021.</b>	<p>It was recommended that the Minutes of the Parish Council meeting on the 2<sup>nd</sup> June 2021 be approved and signed as a true record of those proceedings.</p> <p><b>RESOLVED</b> that the Minutes of the Parish Council meeting on the 2<sup>nd</sup> June 2021 be approved and signed as a true record of those proceedings.</p>
21/150	<b>Progress Reports on Recent Actions.</b>	<p>The Council received progress reports regarding matters from the Minutes of the Council Meeting on the 2<sup>nd</sup> June 2021.</p>

	<b>a. Transfer of Assets and Service to the Parish (Last minute no. 21/125).</b>	<b>RESOLVED</b> that there is nothing further to report about the transfer of assets and services to the Parish at present.
	<b>b. Footway light at Thorn Tree (Last minute no. 21/125).</b>	<b>RESOLVED</b> that it be noted that the footway light at Thorn Tree still has not been connected/repared so Councilor Gordon Nicolson will pursue this will Eden District Council.
	<b>c. Donations at Eden Bridge Car Park (Last minute no. 21/125).</b>	<b>RESOLVED</b> that it be noted that Councillor Steve Craig is still seeking quotes for the public sign to explain the possible donation scheme at Eden Bridge car park and that the rest of the project is still ongoing.
	<b>d. Repair of the door on the Grass Cutting equipment storage shed (Last minute no. 21/125).</b>	<b>RESOLVED</b> that it be noted that the issue of the repair of the door on the grass cutting equipment storage shed has been discussed at a recent School Governors meeting and the Parish Council are now awaiting a reply.
	<b>e. Harrowbeck and Footpath number 339023 (Last minute no. 21/125).</b>	<b>RESOLVED</b> that it be noted that the clearing of Harrowbeck next to footpath number 339023 is now part of 'The Meadows' programme of works and is supposed to start this week.
	<b>e. Dropped flagstone on the pavement near the Midland Hotel (Last minute no. 21/125).</b>	<b>RESOLVED</b> that it be noted that repairing the dropped flagstone on the pavement near the Midland Hotel was reported to be still ongoing.
	<b>f. Sign for Canoeing and Fishing (Last minute no. 21/125).</b>	<b>RESOLVED</b> that the Council agreed not to pursue a sign for canoeing and fishing as no further contact had been made about it.
	<b>h. Hedgerow Planting (Last minute no. 21/136).</b>	<p>The Council received an update on the planting of a hedgerow alongside the road between Eden Bridge and the swimming pool from Councillor Phillip Whitehead. The hedge will meet the criteria of the WoodlandTrust and will replace the existing fencing. The funding requests are being submitted totalling approximately 1200 hedging plants.</p> <p><b>RESOLVED</b> that Council agreed to give Councillor Phillip Whitehead delegated authority to progress the planting of a hedgerow project, alongside the road between Eden Bridge and the swimming pool.</p>
<b>21/151</b>	<b>Report from District Councillor Gordon Nicolson.</b>	<p>The Council received a written report from District Councillor Gordon Nicolson about Eden District Council matters affecting the Parish.</p> <ol style="list-style-type: none"> <li>1. The Eden Plan Consultation – comments by the deadline of 9<sup>th</sup> August 2021 - Council are prioritising a partial review of the Local Plan to consider climate change and design matters for example how Councils should specify solar and car charging points in new builds.</li> <li>2. With the Local Government Reform, the restructuring of Eden District Council staff arrangements and redundancy notices have</li> </ol>

		<p>been put on hold temporarily.</p> <p>3. Councillor Gordon Nicolson will be attending the EALC AGM on 14<sup>th</sup> July 2021. If any Councillors wish to make any comments or points that Councillor Nicolson can make please let him know.</p>
		<p><b>RESOLVED</b> that District Councillor Gordon Nicolson be thanked for his written report, the contents of which were noted.</p> <p><b>ALSO RESOLVED</b> that it be noted that District Councillor Gordon Nicolson reserved the right to request to speak on other issues on the agenda.</p>
21/152	<b>Report from County Councillor Hilary Carrick.</b>	<p>The Council received a report from County Councillor Hilary Carrick about County Council related matters affecting the Parish.</p> <ol style="list-style-type: none"> <li>1. The Local Government Reform - the outcome will be known on the week beginning 19<sup>th</sup> July 2021. Then there will be a lot of work needing to be done to set up the new systems.</li> <li>2. Cumbria County Council has appointed their new Chief Executive Gill Stewart who will be starting on 2<sup>nd</sup> August 2021.</li> </ol>
		<p><b>RESOLVED</b> that County Councillor Hilary Carrick be thanked for her report, the contents of which were noted.</p> <p><b>ALSO RESOLVED</b> that it be noted that County Councillor Hilary Carrick reserved the right to request to speak on other issues on the agenda.</p>
21/153	<b>Lazonby Parish Projects:</b>	
	<b>a. Proposed Development of Lazonby Egg Packing Station.</b>	<p>The Council received an update about the Egg Packing Station Housing Project. A flyer with all the updates on the Egg Packing Station Housing Project has now been circulated within the local community. The Outline planning application for up to seven affordable houses has been submitted to Eden District Council Planning Services. The planning application will establish what can be built on the site, deal with the flood, contamination etc..issues regarding building on the site and also establish the final purchase price. The Parish Council have given the Vendors a provisional price for the site but are still waiting for a response from the vendors who have hired a Land Agent to do their own assessment. A parishioner has given a list of comments about what the site could be made into as an alternative to the housing. However, this may not receive the funding needed and the value of the land could be an issue.</p>
		<p><b>RESOLVED</b> that a note of thanks be made to those who helped deliver the leaflets update about the Egg Packing Station Housing Project.</p> <p><b>ALSO RESOLVED</b> that Councillor Gordon Nicolson is happy to speak to the parishioner regarding their comments and suggestions for the egg packing station site.</p> <p><b>ALSO RESOLVED</b> that the Parish Council wished to thank the parishioner for their comments which was noted.</p> <p><b>ALSO RESOLVED</b> that Councillors Chris West and Peter Foley be thanked for the report about the Egg Packing Station Housing Project which was noted.</p>
	<b>b. Environmental projects for the Parish.</b>	<p>The Parish Council considered the possible environmental projects in the parish and potential funding streams. The Clerk put an article in the Parish Council Newsletter to say that the Parish Council were looking at</p>

		<p>funding for environmental projects in the parish, so if anyone had any suggestions on what the Parish Council could do to contact the Clerk and their suggestions would be passed onto the Parish Council. The Parish Council would then look into whether the suggested projects would fit the funding criteria of the funding that they were looking into.</p> <p>A parishioner has also given some suggestions for an environmental project to find funding for which entailed environmental improvements in the vicinity of railway bridge no. 306 as it crosses the B6413. The land has been kept as clean as possible by kind volunteers who have routinely cleared nettles, brambles and other intrusive vegetation causing inconvenience to pedestrians, wheelchair users and school children. However, the land does not belong to the Parish Council but instead Network rail. It was suggested that the Parish Council could ask Network rail if they could clear the area and possibly re-landscape it.</p> <p>There are three emerging projects on Green Recovery, which include the opportunity to secure funding under the Government's Nature for Climate Fund and the National Lottery Green Recovery Challenge Fund. The two that would fit the parish the best would be the Local Authority Treescapes Fund (LATF) and the Green Recovery Challenge Fund - Pollinator for Plants. A possible project would be the hedgerow along the road edge between Eden Bridge and the Swimming Pool. The other possible project could be to put in a pollinators hedge at Will Pool.</p>
		<p><b>RESOLVED</b> that the Parish Council thank the Parishioner for their suggestions for an environmental project which was noted.</p> <p><b>ALSO RESOLVED</b> that the Clerk report the land in the vicinity of railway bridge no. 306 to Network rail and ask them if they could clear the land and possibly re-landscape it to make it look better.</p> <p><b>ALSO RESOLVED</b> that Councillors Hilary Carrick, Phillip Whitehead and Chris West have an on-site visit at Will Pool to look at possibly planting a pollinator's hedge as part of the projects for the environment.</p> <p><b>ALSO RESOLVED</b> that the Clerk resend the environmental funding information to all Councillors again so that they can look at possible projects.</p>
	<b>c. Footpath between Eden Bridge and Lazonby Swimming Pool.</b>	<b>RESOLVED</b> that it be noted that there was nothing further to report about the footpath project between Eden Bridge and Lazonby Swimming Pool at present.
<b>21/154</b>	<b>Financial Report by the Treasurer.</b>	<p>The Council received a report from the Treasurer for June 2021 (please see attached Treasurer's Report).</p> <p><b>ALSO RESOLVED</b> that the Treasurer be thanked for his report, the contents of which were approved, accepted and noted.</p>
<b>21/155</b>	<b>Authority for Payments.</b>	<p><b>RESOLVED</b> that the Council considered requests for payment received by the Treasurer, Clerk or Council Members, and agreed to pay the following:</p> <ol style="list-style-type: none"> <li>1. The sum of £4140 to Tetra Tech for costs regarding the completion and submission of the outlining planning application documents, and for the completion of the flood risk assessment and drainage strategy for the Egg Packing Station Housing Project.</li> <li>2. The sum of £108 to the H&amp;H Reeds Printers for the cost of printing leaflets to give to Parishioners regarding the Egg Packing Station Housing Project expenses.</li> </ol>

21/156	Planning Applications – New (or Appeal).	<p>The Council considered the following Planning Applications.</p> <ol style="list-style-type: none"> <li>1. <b>Planning Application No. 21/0523</b> - Proposed rear extension. At Eden Field, Armathwaite.</li> <li>2. <b>Planning Application No. 21/0511</b> - Retrospective application for temporary storage building within service yard, at Roxane UK Eden Valley, Armathwaite. Carlisle.</li> <li>3. <b>Planning Application No. 21/0583</b> – Erection of 2 dwellings, on Land SW of Bank Top, Lazonby.</li> <li>4. <b>Planning Application No.21/0577</b> – Former Egg Packing Station. Lazonby, Penrith - Outline planning application for up to seven new affordable dwellings, with approval sought for access.  <b>PLEASE NOTE that this planning application no 21/0577 is to be given only for reference and to be noted, as the Parish Council are not able to give a response due to the planning application being submitted by Lazonby Parish Council.</b></li> </ol> <hr/> <ol style="list-style-type: none"> <li>1. <b>RESOLVED</b> that the Council had <b>NO OBJECTIONS</b> to Planning Application No. 21/0523 - Proposed rear extension. At Eden Field, Armathwaite.</li> <li>2. <b>RESOLVED</b> that the Council make the following <b>COMMENTS</b> to be taken into consideration regarding Planning Application No. 21/0511 - Retrospective application for temporary storage building within service yard, at Roxane UK Eden Valley, Armathwaite. Carlisle. <ol style="list-style-type: none"> <li>1) The Parish Council have concerns that this is the second retrospective planning application that has been made in the last few years.</li> <li>2) The Parish Council have noted that there is no time scale for the temporary building and would therefore like this to be put in the conditions of the planning application.</li> </ol> </li> <li>3. <b>RESOLVED</b> that the Council had <b>NO OBJECTIONS</b> to the Planning Application in principle but they do have the following <b>COMMENTS</b> they would like to be taken into consideration regarding Planning Application No. 21/0583 – Erection of 2 dwellings, on Land SW of Bank Top, Lazonby. <ol style="list-style-type: none"> <li>1) The Parish Council have concerns that the proposed dwellings are not following the Lazonby Neighbourhood Plan’s Design Statement, and therefore not in keeping with the rest of the village because of the large timber-framed windows.</li> <li>2) The Parish Council also have concerns regarding one of the proposed dwellings because it is set too far forward and not in line with the rest of the houses in that area.</li> </ol> </li> <li>4. <b>RESOLVED</b> that Planning Application No.21/0577 – Former Egg Packing Station. Lazonby, Penrith - Outline planning application for up to seven new affordable dwellings, with approval sought for access be <b>NOTED</b> as this planning application was only given for reference because it has been submitted by the Parish Council who is therefore not able to give a response.</li> </ol>

<p>21/157</p>	<p><b>Planning Applications – Decisions.</b></p>	<p><b>RESOLVED</b> that it be noted that the following Planning Application Decisions were received:</p> <ol style="list-style-type: none"> <li>1. <b>Planning Application No. 21/0120</b> - Retrospective replacement of 90kw log boiler with 80kw wood pellet boiler, 12 tonne wood pellet silo, 2900lt buffer tank with steel flue, at Brackenbank Lodge, Lazonby, Penrith - <b>GRANTED.</b></li> <li>2. <b>Planning Application No. 21/0317</b> - Proposed removal of existing stables and erection of detached garden room/home gym, including partial change of use of part of the agricultural field to domestic cartilage, at Clear View, Lazonby, Penrith CA10 1AU – <b>GRANTED.</b></li> <li>3. <b>Planning Application No. 21/0302</b> - Retrospective change of use of land to domestic and replacement of shed with new secure storage shed, at Barnwell House, Lazonby CA10 1BL.– <b>GRANTED.</b></li> </ol>
<p>21/158</p>	<p><b>Planning Application 20/0904 (Genesis Homes) Scaur Lane, Lazonby.</b></p>	<p>The Council considered how to proceed with Planning Application 20/0904, the Genesis Homes development on Scaur Lane. Eden District Council Planning Services has been in contact with the Parish Council to apologise for not having been able to take this application for the Genesis Homes development on Scaur Lane forward to a determination as yet. They explained that Genesis Homes and Planning Services had agreed to look into making some revisions to the scheme, and will of course re-consult with the parish Council when they have received new plans. In the meantime, if the changes result in an improved scheme could they ask if the Parish Council’s request for the application to be determined by Committee be reconsidered. This is because Planning Services have not got a definitive objection from the Parish, and the developer would like to avoid the potential for a Committee decision to go against them. The Clerk gave the Parish Council this information via email.</p> <p>Then the Parish Council were contacted again with the following information from the Land Director of Genesis Homes who asked if the Parish Council could consider his response, and in particular point 7 below regarding the Committee call-in; and if there is anything further the Parish Council would like to raise then please let him know:</p> <p><i>“Further to my earlier email, please see my response to the queries raised by the Parish.</i></p> <p><i>The Outline application (17/0016) was for residential development with access, this was not number specific. Subsequently, Cumbrian Homes submitted a reserved matters application (18/0420) for 50no. homes.</i></p> <p><i>Although not related to the Cumbrian application, the increase in property numbers is due to the inclusion of additional smaller 3 bed properties that would suit first time buyers and young families. While we have proposed an increase in the number of properties, the density has in fact decreased. Accounting for the reduction in site area from 25,772sqm to 21,316sqm, on a pro-rata basis the approved Cumbrian scheme accommodated 61,565sqft on the reduced area, the Genesis proposal is for 60,813sqft.</i></p> <p><i>It is also worth noting that we have increased the Public Open Space from the previously approved Cumbrian scheme by 1,339sqm.</i></p>

		<p><i>As above, I believe it is important to consider the density of the development rather than the number of properties. Our wider offering in terms of product mix brings numerous benefits to the community that would not have been seen in previous approvals.</i></p> <p><i>We will be providing a 30% affordable contribution and an education contribution of £266,066 for the additional primary and secondary places as per the existing S.106. Procedurally it is not possible to request additional contributions at the reserved matters stage. I would however be happy to discuss separately, but this would be outside the planning process.</i></p> <p><i>We are amending our boundary treatment plan to incorporate a sandstone wall along the site frontage rather than brick as per the PCs comments. In addition, the heads and sills for the properties mentioned will be stone.</i></p> <p><i>We have added electric vehicle charging to 30% of the properties (17) and a plan illustrating this will be issued shortly. The street lighting will be dealt with under the S38 / 278 applications.</i></p> <p><i>I hope the above answers the PCs outstanding queries and offers additional confidence in the areas they felt our application was lacking. If the Parish could remove its request for this application to go to committee, this would be welcomed - please can you confirm? This would allow us to progress the potential of providing the affordable scheme on the other site previously discussed.”</i></p> <p><b>RESOLVED</b> that the Council agreed that planning application 20/0904, the Genesis Homes development on Scaur Lane, did not need to go to the Planning Committee as all the issues that the Parish Council had raised had been addressed.</p> <p><b>ALSO RESOLVED</b> that the Parish Council would like to discuss further with Genesis Homes the offer of additional funding towards projects in the parish.</p>
21/159	LPC Cumbria Highways Link Person Report.	<p>The Council received reports on other issues that have arisen since the last Council meeting concerning Cumbria Highways.</p>
		<p><b>RESOLVED</b> that it be noted that Scarrows has now had the road patched.</p>
21/160	Invitations to Participate.	<p>The Council considered if Council Members would like to comment, take part in, attend, or send a representative to any invitations to participate.</p> <p><b>1. The Greening Campaign - Greening Eden Community by Community</b> - For those who were able to attend thank you so much for joining EDC / EALC Greening Campaign Launch yesterday evening. I hope you will agree that the Greening Campaign will be a fun and effective way to work with communities in Eden to tackle the climate and ecological crises we are faced with. For those who were unable to attend last night attached is a flyer from EDC which provides further information on the Greening Campaign’s toolkit for Parish and Town Councils and the funding EDC will provide. Further information can be found at the Greening Campaign’s Website <a href="http://www.greening-campaign.org/">http://www.greening-campaign.org/</a> or at their monthly webinars that can be booked through Terena at <a href="mailto:Terena.plowright@gmail.com">Terena.plowright@gmail.com</a> .
