### Harrow Beck ...

A local contactor has kindly cleared Harrow Beck and repositioned some of the large stone without any cost to the Parish. So it is hoped that this will help the flow of water and stop the footpath flooding next to the beck.

### Broadband News..

Unfortunately, it was reported

at the September 2021 meeting of the Parish Council that due to lack of signing-ups for the B4RN broadband it looks like the project has failed as the deadline was drawing closer. It is such a shame that this project looks to have failed after all of the hard work put into it by volunteers, and sadly this was the only chance the parish had of having such a reliable fast broadband service.

### The Egg Packing Housing Development Project...
