

# LAZONBY PARISH COUNCIL NEWS

Happy Spring

*"Surely the flowers of a hundred springs are simply the souls of beautiful things!" ~L.M. Montgomery~*

## Footway between Eden Bridge and Lazonby & District Swimming Pool News...

The Parish Council would like to thank all those people who have been so generous in donating directly to the fund or purchasing a plaque. There are over 50 plaques to be put into the pavement and although it was their aim to get that many they still thought that was ambitious, so thank you as we have achieved it. Donations have come in fast and furious. With some very large pledges from a number of the Parishioners, to whom the Parish Council are very grateful. To date the Co-op and Bells have been more than generous and again the Parish Council are very grateful.

The Parish Council have strived to get the school children involved in this appeal and both schools in our joining communities have been more than happy to work with us to raise awareness of the Footway Appeal. They would like to thank both Heads for their support. The children from Lazonby School year 5/6 had a competition for the letter-head logo for the appeal. They were all super but Jacob Barkers was the one used for the logo as it was unusual and depicted all the activities that we anticipate the path being used for. It also highlighted that it was for the safety of our two communities to use and bring them together safely.

The Parish Council also ran a photograph competition for both Lazonby and Kirkoswald Primary schools. The images that were captured were excellent. The brief was 'Our beautiful Eden Valley' and the pupil's interpretation of this title provided a wide variety of the images. The Parish Council are grateful to Paul Martin who judged the competition which he found very difficult as they were all so good.

Lily Bird won the 5-6 year, while the winner in the 3-4 years was Tara Henderson and Jamie Lambert won the reception. No one from 1 - 2 years entered. These are some of the children's competition entries....

So far the Parish Council have raised £16,000 for the footway so they still have a little way to go, but they can see the target being reached with a number of events coming up and from further donations. The Parish Council have leaflet dropped Kirkoswald and hope that they will support our Appeal, which will benefit their village as much as ours.

If you have not donated and would still like to, it is easy, you can give a donation to Lazonby Parish Council Account No. 81512137, sort code 40-36-10 or contact Chris West on 898425, or drop it off at 4 Lamb Lea, Lazonby. The Fundraising Committee wish to thank you all for your support.

### **Small Grants available for the Queens Platinum Jubilee...**

The Parish Council have a small pot of funding for local community groups and organisations. If you would like to apply for this on behalf of your group or organisation, please write to or email the Clerk to the Parish Council with details of what you would like the funding for and how much you need to fund your event.

### **Dog Fouling in the Parish...**

Lazonby School pupil Jenson Purdham has made 'no dog fouling' signs and put them up around the village asking dog owners to pick up after their dog, after he stepped in dog mess on his way to school and was then late for school as he had to return home to change his shoes. Jenson received an ambassador award from Lazonby school as a pupil who's been a good ambassador for the school in the local community. Well done Jenson.

Please pick up after your dog as it is not only horrible to walk in, to look at, and selfish for not picking it up, it is also a danger to health and has been known to cause serious eye problems and even blindness in some people due to possible Toxocariasis which is caused by the roundworm parasites. It affects young children the most.

**Respecting Other Dogs and their Owners in the Parish....** Posters about dogs being off/on leads and being a responsible owner have been put up in the village asking people to respect other dogs space and not let their dogs off the lead when approaching another dog on a lead. The poster explains the possible reasons for dogs been on a lead for example reactive, nervous, under training, or some maybe old and blind.

### **Contact your Councillors....**

#### **Councillor Christine West - Chair**
